Secretary Report

July 22, 2018

Hello Family,

I realize I have taken liberties to the forms we use in our meetings, and if any changes needed a vote or if corrections are needed please let me know. Although I'm only responsible for producing, distributing, and archiving the meeting minutes and contact list, I want to continue updating and/or archiving forms for Area. One such project is the update to our Guidelines, which I have handed a rough draft to Policy and Activities for corrections.

A project within my position is the digital archiving of all past meeting notes in my possession. My goal is to preserve the archive in case of loss or destruction of our physical archive.

Another project is to distribute minutes to a member of each group in our Area. This will involve gathering contacts from each group, permission to place their information on our contact list, and adding them to my email distribution. My goal is to increase group participation by informing and involving all groups in our Area regardless of their participation at ASC, but I want guidance, or a vote if needed, on this decision before I work on it.

In loving service,

James
