P.I. Report, March, 2017

March's PI subcommittee meeting was held on 3/8/17 with only myself in attendance. It has been brought to my attention that the website is in need of updating, specifically around meeting dates/times and events for the area. I am considering a complete overhaul and modernization of the website to make it more aesthetically pleasing, modern, and easily navigable. Several website design options are being considered and will be voted on in the next PI meeting, which is to be held on 4/5/17. I encourage anyone who would like their voice to be heard on the subject of the website to please attend this meeting. Several meeting lists have been posted and sent to hospitals and libraries in the Baton Rouge area, including: Baton Rouge General (Bluebonnet), OLOL, and 3 separate branches of the BR Public Library. We are looking for more ways to get the NA message out into the public and I ask that anyone interested in helping to spread the message, please attend the PI meeting for April.

Phone activity has been study for the month of March. Several calls have been pertaining to entering treatment. The type of call with the heaviest frequency is, by far, robo-calls/solicitors for new businesses.

Thank you for allowing me to be of service to you and the Bayou Recovery Area.
